The SCIENCE of Amare GBX Burn™

Burn Brightly with GBX Burn

How It Works

Our proprietary GBX Burn formula combines scientifically-validated Grains of Paradise, Glomerata Fruit, Carrot Pomace and BCAAs that synergize together to accelerate the burning of fat before it's stored in your body.*†

Grains of Paradise – an ancient, edible spice that is part of the ginger family that increases calorie burning.*†

Glomerata Fruit – a powerful superfood that helps enhance metabolic wellness and helps you naturally expend more energy.*

Carrot Pomace – plant-derived and made from upcycled carrots, Carrot Pomace helps support gut integrity and gut health through promoting diversity in your gut microbiome.*

BCAAs 2:1:1 - amino acids that have been shown to enhance muscle protein synthesis, increase energy and reduce fatigue during exercise.*

Amare GBX Fit™ and Amare GBX Burn™ are the Perfect Weight Loss Duo

This incredible stimulant free dream team will help you lose weight and keep it off. When combined with daily movement and a healthy lifestyle, GBX Fit and GBX Burn help support weight management and break the weight gain cycle.*

Take it Off
GBX Fit supports healthy weight loss through the release of stored fat, from our storage depots in white fat.
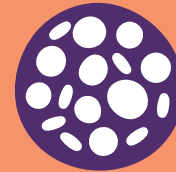

White Fat Cell

Keep it Off
GBX Burn supports thermogenesis through the activation of brown fat, so you don't store it.
